## SKILLS

I'm a second-year B.Sc. Software Engineering student at Shenkar College. I'm a passionate and dedicated worker and looking forward to enrich myself with new knowledge. I thrive on learning and experiencing new things while striving for personal growth.

## EXPERIENCE

### Altshuler Shaham, Tel Aviv

November 2017 – June 2020

- Responsible for all financial matters regarding the members' pension funds.
- Handling the deposited funds and their allocation to colleagues in the Gemel operating software
- Sorting checks, depositing them in the bank and putting them into a system

### Israel Defence Force

April 2015 – JULY 2017

- Management of the meeting diary of the commander of the center (Lieutenant Colonel) and all the officers in the headquarters in front of senior bureaus in the general of the IDF.
- Scheduling meetings and managing the center commander's schedule (Lieutenant Colonel)

## EDUCATION

### Software Engineering, Shenkar – B.Sc

2021 – 2025

## Hobbies

Traveling, gaming, listening to music.
